A Child's Life Parent Education and Family Stabilization Class

Judge-Approved Certificates

Dear Parent,

I understand that divorce can be difficult and stressful.

I started *Life Works Parenting Tools* in 1991 to ease the divorce process for both parents and their children.

I have been teaching parenting courses for nearly 30 years. I offer a class on the second Saturday of the month for \$50 per parent. My course has been recorded and enhanced for the web; it is available online for parents who are unable to attend the live class.

With the recent surge in online courses, I wanted to assure you that my course is Judge-Approved and recommended by judges *and* parents.

I look forward to being of assistance during this time.

Sincerely,

Sue Dockerill
