“What participants are saying:

"I felt I already knew the best things to do... but after this class I saw a detailed way to ask myself questions before getting stressed that will help me."

"Taking this class was so worth it, and I think everyone should take this class."

"I called my soon to be ex husband. We had the best talk we've had in years. Thanks to this class I feel 100% better."

"I cannot think of any suggestion to make the program better. I strongly believe it is on point and informs well."
